

The graph illustrates a network of concepts related to sports and teams. The nodes are represented by colored circles, and the edges represent relationships between them. The nodes are:

- coach_shea_weber (yellow)
- concept_city_nashville (yellow)
- concept_stadiumorevenuevenue_bridgestone_arena (yellow)
- concept_sport_hockey (yellow)
- concept_sportsteam_nashville_predators (red)
- concept_sportsteam_leafs (yellow)
- concept_sportsteam_rangers (yellow)
- concept_sportsteam_new_york_islanders (yellow)
- concept_sportgame_games (yellow)

The edges connect these concepts, with colors ranging from yellow to red, indicating different types or strengths of relationships. The graph shows a complex network of connections, with some nodes having multiple links to other nodes.
