

The graph visualization shows a network of concepts. The nodes are labeled as follows:

- concept_city_carrollton (Red)
- concept_automobilemaker_bmw (Yellow)
- concept_sportsteam_nova_southeastern_university (Yellow)
- concept_city_fort_lauderdale (Yellow)
- concept_county_nova_southeastern (Grey)
- concept_stadiumeventvenue_bank_atlantic_center (Yellow)
- coach_chad_larose (Orange)
- concept_sportsteam_carolina_hurricanes (Orange)
- concept_athlete_craig_anderson (Grey)
- concept_athlete_eric_staal (Grey)
- concept_sportsteam_florida_panthers (Grey)
- concept_sportsteam_league_nhl (Red)
- concept_city_birmingham (Grey)

The connections between the nodes are as follows:

- concept_city_carrollton is connected to concept_automobilemaker_bmw.
- concept_automobilemaker_bmw is connected to concept_city_fort_lauderdale.
- concept_city_fort_lauderdale is connected to concept_county_nova_southeastern.
- concept_sportsteam_nova_southeastern_university is connected to concept_city_fort_lauderdale.
- concept_sportsteam_nova_southeastern_university is connected to concept_stadiumeventvenue_bank_atlantic_center.
- concept_stadiumeventvenue_bank_atlantic_center is connected to coach_chad_larose.
- coach_chad_larose is connected to concept_sportsteam_carolina_hurricanes.
- concept_sportsteam_carolina_hurricanes is connected to concept_athlete_craig_anderson.
- concept_athlete_craig_anderson is connected to concept_athlete_eric_staal.
- concept_athlete_eric_staal is connected to concept_sportsteam_florida_panthers.
- concept_sportsteam_florida_panthers is connected to concept_sportsteam_league_nhl.
- concept_sportsteam_league_nhl is connected to concept_sportsteam_carolina_hurricanes.
- concept_sportsteam_league_nhl is connected to concept_athlete_craig_anderson.
- concept_sportsteam_league_nhl is connected to concept_athlete_eric_staal.
- concept_sportsteam_league_nhl is connected to concept_city_birmingham.
