

The graph displays a dense network of concepts. The nodes are categorized by color: blue for people, green for sports, orange for equipment, and yellow for other concepts. The connections are represented by lines of varying thickness, indicating the strength or type of relationship. The graph is highly interconnected, with many nodes having multiple connections. Key clusters include sports teams (e.g., Pittsburgh Penguins, Philadelphia Flyers), athletes (e.g., Justin Upton, Chris Duhon), and equipment (e.g., Football, Basketball). The graph also shows relationships between people and sports (e.g., concept_person_mexico_adam_dunn, concept_athlete_justin_upton) and between people and equipment (e.g., concept_person_mexico_adam_dunn, concept_sportsequipment_gear).
