

The graph visualization displays a network of concepts. The nodes are categorized by color: yellow (athlete_hasselbeck, concept_sportsteam_seahawks, concept_sportsteam_steelers), orange (concept_stadiummoreeventvenue_husky_stadium, concept_sportsleague_ncaa), and grey (concept_personmexico_julius_jones, concept_sportsleague_nfl, concept_sport_football, concept_sportsteam_pa). The edges represent relationships between these concepts, with a dense cluster of connections among the grey and orange nodes in the lower right, and a few connections linking the yellow nodes to the central orange node.
